

# Michigan's Great Lakes: Touring the Region

**Step 1:** Sketch a map of Michigan.

Include the following labels: *Lake Erie; Lake Huron; Lake Michigan; Lake Ontario; Lake Superior; Michigan.*

## Michigan's Great Lakes: Touring the Region

**STEP 2:** Imagine you are taking a tour of the Great Lakes Region. Choose three stops you will make on your journey based on the photographs you see in this exhibition.

	<b>Location</b> <i>What is the location of each stop?</i>	<b>Description</b> <i>What stands out to you the most? Describe it using one word.</i>	<b>Sketch</b> <i>Draw the photograph.</i>
<b>Stop 1</b>			
<b>Stop 2</b>			
<b>Stop 3</b>			

## Michigan's Great Lakes: Touring the Region

**Step 3:** On your map of the Great Lakes Region, mark the places you visited by writing an X at that location.

### Challenge Question

Find an image that suggests humans have been in that space. Do you think the impact was good or bad on the environment? What do you see that makes you say that?
