CURRICULUM DEVELOPMENT & SUPPORT FOR EDUCATORS

DIA DELIVERED

DIA Delivered educational kits connect the school curriculum to objects in the Museum’s collection and provide opportunities for critical thinking, discovery, and artmaking.

DIA Delivered includes a variety of lesson plans to help teachers utilize this resource in the classroom or in a virtual learning environment. Kits are available for East Asian Art, African American, and

American. Kits are in development for West African, Native Peoples, Ancient Middle Eastern, and Ancient Egyptian.

Kits were provided to Cesar Chavez Lower Elementary, Hoover Middle School, Tau Beta and Early Childhood Elementary, Plymouth Community Arts Council, Metro Charter Academy, A Homeschool in Garden City, Blue Sky Academy Homeschool, Dickinson West Elementary, MACC Development Summer Camp, and Mason Academy in Detroit, serving 659 students.

The DIA continued to work collaboratively with Wayne County educators to design customized curriculum resources to support field trips, including self-guided activities as well as pre- and post-visit classroom connections. New teacher resources available in 2022 included classroom activities for *The New Black Vanguard: Photography between Art and Fashion*, and *By Her Hand: Artemisia Gentileschi and Women Artists in Italy, 1500-1800*.

New Learning Resources were also developed for a series of pilot programs around Human Rights and Art. The DIA collaborated with professionals from Justice by Design, a program from Harvard’s Graduate School of Education. The pilot program engaged eleven educators from Wayne County schools in developing critical thinking around the choices artists make and voices and messages present or absent in works of art.

Wright Museum of African American History, the Scarab Club, and the Michigan Science Center.

The roster of national and international artists was phenomenal and included performers from Kyiv (Ukraine), the celebrated singer and song writer Alejandro Escovedo, the singer, composer, educator and performer Martha Redbone known for her unique mix of folk, blues, and gospel, as well as a full representation of Detroit's Caribbean artistic community, among many others.
