CURRICULUM DEVELOPMENT & SUPPORT FOR EDUCATORS

New teacher resources currently in development include topics of Buddhist Traditions and early Italian Renaissance bronzes.

The DIA collaborated with professionals from Justice by Design, a program from Harvard's Graduate School of Education. The 2023 Spring pilot program included six educators from Macomb County schools who are interested in developing critical thinking around the choices artists make, the voices and messages present or absent in their works of art, and the types of power that can be observed.
